

SCHOLAR OF THE YEAR NOMINATION FORM

This form should be completed by the nominating faculty member and three supporting faculty members, and be submitted to the Academic Senate President by the date specified to be considered for this award.

Supporting faculty can only support ONE candidate for Scholar of the Year.

Nominated Student:

Degree(s) to be awarded:

GPA:

Nominating Faculty (must be from a discipline in which nominee is receiving a degree):

Name	Discipline

Supporting Faculty (must be from at least two other disciplines than the nominating faculty):

Name	Discipline

Supporting evidence:

Please respond to as many of the prompts below with as much detail as possible, using specific examples and evidence from personal classroom experience with the nominated student to support the statements. Please place the response(s) after each individual prompt *within space provided*. Nominating and supporting faculty may write individual responses to each prompt, or create a single joint response as a group, but all responses should be within *this* form and with the corresponding prompt. If you do not have evidence for any of the areas, you may leave it blank. *Please do not attach additional and separate forms.*

1. How has the nominated student demonstrated the quality of **intellectual ability** above expectations and requirements?

2. How has the nominated student demonstrated the quality of **critical thinking** above expectations and requirements?

3. How has the nominated student demonstrated the quality of **curiosity** above expectations and requirements?

4. How has the nominated student demonstrated the quality of **creative thinking** above expectations and requirements?

5. How has the nominated student demonstrated the quality of **effort** above expectations and requirements?

6. How has the nominated student demonstrated the quality of **scholastic excellence in area of major(s)** above expectations and requirements?

7. How has the nominated student demonstrated the quality of **scholastic excellence in area(s) outside of major** above expectations and requirements?

8. What **other qualities** would you like to share about the student that demonstrates why they should be recognized as the Scholar of the Year?

Please additionally attach a copy of the nominated student's **transcript** and submit all materials to the Academic Senate President by the deadline to be considered.

Deadline: All students nominated by faculty for this award must have the complete nomination form submitted by the nominating faculty directly to the Academic Senate President by **Monday, March 24th at 5 p.m.**
