

The Porterville College Academic Senate is working on upcoming academic calendars and would like input from you. The start and end dates of each term are usually pre-determined, but we have some flexibility in where we place spring break.

This brief survey is completely anonymous and is to gather feedback on faculty and student preferences for spring break placement.

Thank you.

Dr. Rebecca Baird, Academic Senate President

1. What is your preference for when spring break should fall each year?

The week just before Easter

The week just after Easter

Align with the week Porterville Unified School District selects

No preference

Other (please explain)

2. Please use this space, if desired, to explain your reasoning for your preference above, or to provide any additional information that would help Academic Senate make a decision about the placement of spring break in the future.

3. Which category best describes you?

Student

Adjunct faculty

Full-time faculty
