Dr. Al Solano

**PORTERVILLE
COLLEGE**

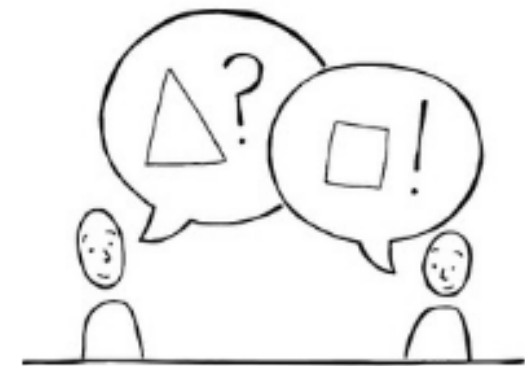

- Coaches, facilitates, and trains to support institutions of higher education to effectively plan and implement homegrown practices
- Authors practitioner-focused blog, provides brief webinars, and creates easy-to navigate resources and mini-courses to help educators learn about promising practices

Why?

The 3-Month Reality Check

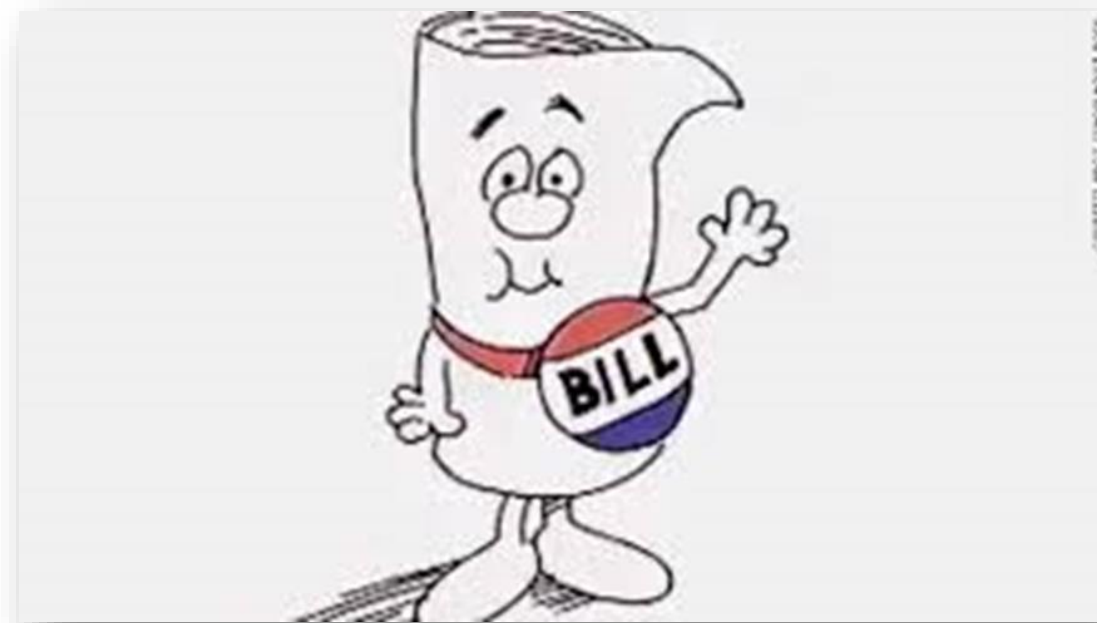

We have a year to work on our major priorities.

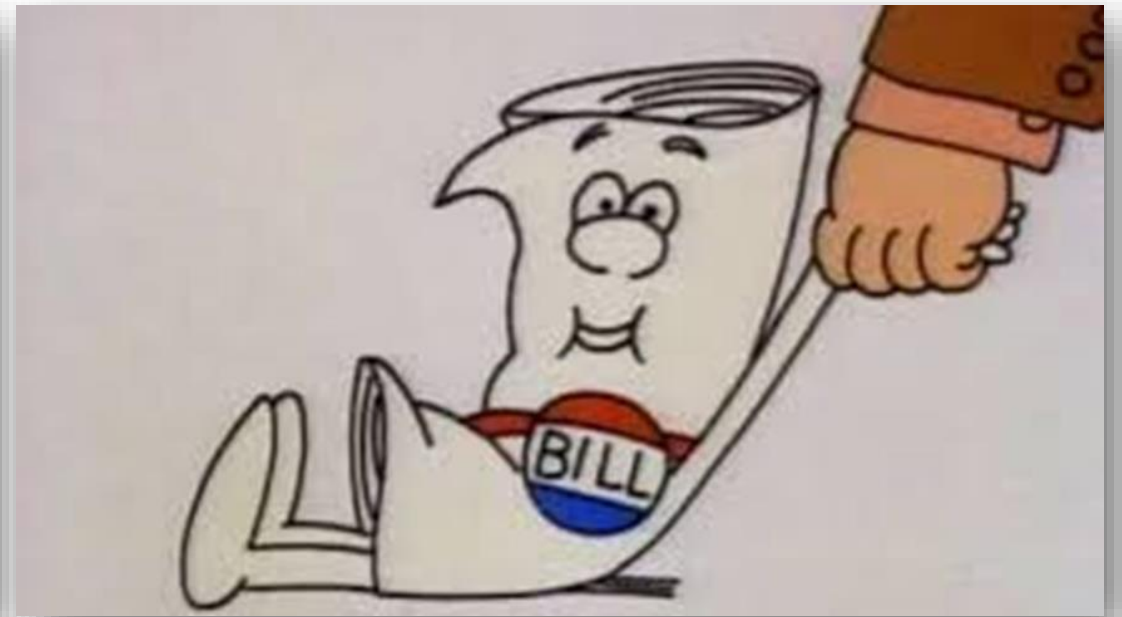

What?! No we don't.
We only have 3 months!

College Council Survey Results Overview

Survey Reinforces
there is room for
improvement

- How to make meetings more interactive
- Need informed feedback
- Robert's Rules
- Clarify the difference between a governance committee and planning committee
- How do we integrate planning processes in decision making
- How do we support equity-minded practices through governance and committee work

Work Smarter, Not Harder

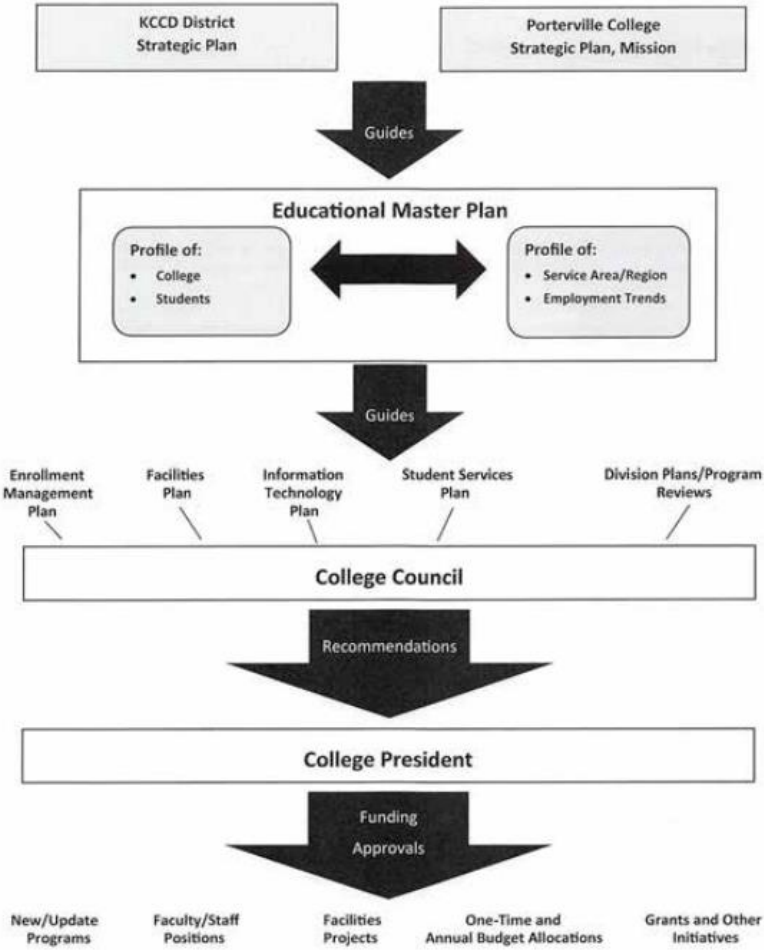

- Redundancy
- Committee Bloat
- More participation between committee members
- Duplication in committee membership
- Information gaps/flow
- Same information is shared multiple times
