

Porterville College - Credit for Advanced Placement (AP) Tests

Students are granted units and subject credit for the Porterville College degree with Advanced Placement Test with scores of 3, 4, or 5. Students must have the College Board send AP exam results to Porterville College Admissions and Records Office (*hand carried copies will not be accepted*).

The outline below represents credit granted toward Porterville College only. Students transferring to a four-year university must consult with the receiving institution's policies on AP Credit. Please consult with a counselor for assistance in understanding AP credit toward local and/or transfer programs and degrees.

Actual AP transfer credit (*including possible differences in units to be awarded beyond those used for CalGETC certification*) awarded for these and other AP exams at admission is determined by the CSU and UC.

For more information, visit the websites below.
