- <https://kccd.instructure.com/enroll/HKXLNJ>

It will be reviewed in the Fall.

V. New Grant Opportunities

a. CalFresh Outreach Funding Opportunity has been awarded in the amount of \$61,000 to the District. The District is now working on the allocations to the Colleges.

b. TRIO Talent Search Grant Update – Grant was submitted by the due date. \$277,000 to serve 500 students.

c. STEM NSF Grant Update – Did not apply. Bakersfield College contacted us to do a joint application/partnership grant.

d. Supplemental Assistance to Institutions of Higher Education (SAIHE) Grant – April 30, 2021

e. Mesa Grant – Submitted late. We will wait a year to reapply.

f. NEH Grant Opportunity – Application submitted last year was not granted. Rachel is working on virtual strategies for the new Literacy Building. Jay is working on higher-powered internet for AC Building. There was discussion on the direction funds would be used.

VI. Other

a. Dr. Harmon discussed the possible impact caused by the decrease in enrollment.

VII. Documenting PC's Campus Grant Oversight Process

a. Grant Tracking - The Grant Proposal form was discussed for approval. Efforts are being made to merge the current form with District's. Questions were raised if the appropriate people were reviewing the form. (IT, Core Faculty, etc.) Early Fall was targeted for the form to be sent to College Counsel.

VIII. Future Items

- a. Big Brothers and Big Sisters of CSUB and BC are planning a joint Zoom meeting to discuss partnering to explore opportunities and promote growth.

IX. Next Meeting – Fall 2021

X. Adjourn – 8:59
