IV. Discussion Items

A. Strategic Plan and Goals

The committee discussed changes that can be made to PC 2015-18 Goals. Some strategies discussed:

- 15 to Finish campaign, having first semester students take an English and Math course, multiple measure, acceleration, co-requisite, look at matriculation components, incorporating CCSSE recommendations, Integrated Plan and Enrollment Management Plan strategies, pathways, having local businesses come to campus to discuss what they would like to see from our CTE programs, JEC Center, dual enrollment, receive insight to internally communication strategies from President Henry, staff development and safety and security.

Mr. Carley will work on putting a draft together and the committee will finalize the PC Strategic Plan over the summer.
